Docket # SW-01303A-0343

DEAR ARIZONA WATER COMMISSIONERS:

MY NAME IS JANET GRAHAM AND I HAVE LIVED IN SUN CITY, AZ FOR FIVE YEARS. I BOUGHT A HOME THAT WAS A JUNGLE WITH GRASS YARD. IT HAD A LARGE WATER SYSTEM. I HAVE TONS OF TROUBLE WITH PEOPLE WORKING ON MY WATER SYSTEM, INSTALLED IN 1969. I HAVE HAD MANY EXPENSES REMOVING TREES, PUTTING IN ROCK IN PLACE OF GRASS AND ELIMINATING WATER GRABBING SHRUBS.

IN SHORT I TURNED OFF MY YARD WATER SYSTEM AND WATER MYSELF AS NEEDED. TWO YEARS AGO, A FRIEND AND I WERE COMPARING WATER USAGE AND I DISCOVERED MY BILL WAS CHARGED A EXTRA FEE FOR 1 INCH METER. MY NUMBER IS S191. I CONTACTED YOUR DEPARTMENT AND EXPLAIN MY LACK OF NEED FOR THAT SIZE METER, I WAS TOLD YOU COULD NOT REPLACE MY METER CAP. I HAVE TALK TO MY NEIGHBORS AND OTHER PEOPLE IN AREA. THEY DO NOT UNDERSTAND WHY YOU CANNOT REPLACE. I HAVE BEEN PAYING WASTEWATER CHARGE, \$34.23 A MONTH, 410.76 A YEAR AND 2053.80 FOR LAST 5 YEARS. MY A/C HAS BROKE AND I DO NOT EVEN HAVE THE FUNDS TO REPAIR. THIS SEEM VERY UNFAIR TO ME. MY NEIGHBORS. THEY DO NOT MIND IF WATER WAS TURNED OFF TO REPLACE METER WITH REGULAR SIZE. I KNOW I AM JUST ONE PERSON, BUT COULD I PLEASE GET A RESPONSE REGARDING THIS MATTER. THANK YOU FOR YOUR CONSIDERATION.

SINCERELY;

JANET GRAHAM
